

NAC 2020 Seminar Series/Podcasts

“*Laboring with a Multi-Generational Workforce.*”

“*Laboring with a Multi-Generational Workforce,*” will highlight the various generations of workers and how they perceive the work environment. It will provide perspective on how to integrate diverse age groups and priorities from the employer.

Data will be presented to help you understand how to create the best culture in the workplace using your employees as the foundation. NAC Director of Education, Larry Etter, CCM will be your guide on this can't miss journey to see the multi-faceted levels of human inventory that run our business.

The reimagined NAC Seminar Series will feature at least one live session in Orange County California followed by a series of podcasts throughout the year.
