

State Fair MINI DONUTS

EST. 1986

Hot • Fresh • Delicious

Delectable, Profitable, Hot, Fresh and Delicious Mini Donuts

Finally... a concessions mini donut that does not require deep fat fryers. We have developed a process to deliver hot and fresh mini donuts in a very easy, simple manner without the mess and safety hazards of deep fat frying. State Fair Mini Donuts has the solution to bring mini donuts to concessions where frying donuts is either impractical or impossible.

Innovative New Concession Product

Our patent pending process uses specifically designed conveyer ovens that quickly heat our world famous premade mini donuts to a hot and delicious temperature.

Why

- Profitable
- Made to order in less than 40 seconds
- Safe and easy-requires no deep fat frying
- Train any employee is less than one minute
- Virtually no clean-up (simply wipe down at the end of the day)
- Oven can produce up to 1200 donuts an hour
- Grab 'N Go Anytime snack -morning, noon or night

Small footprint of
14 1/4" (W) X 20" (L)
Our portable oven
uses a standard outlet.
